

How to get to MERL

The easiest access to MERL from the A1M is via Exit 9; driving time approximately 10 minutes. From this exit follow signs to Letchworth for about ¾ mile. Take the A505 left to Hitchin; continue for 3 miles. After a group of 7 shops on the left set back from the road, turn right at the traffic lights (signposted 'Industrial Area') into Woolgrove Road. Continue past The Sailor pub on the right. After passing through the narrow railway arch turn right at the traffic lights - into Wilbury Way. MERL is the red lined 2 storey building about 1/3 mile on the left hand side, opposite the Trescal building.

From the M1 motorway, exit at junction 11 and take the A505 east, towards Hitchin. On entering the town remain on the A505 and follow the signs for the industrial estate. Turn left onto Grove Road and drive through the railway arch. Go straight on at the traffic lights which takes you onto Wilbury Way. Total drive time from the M1 is approximately 20 minutes.
